Trish,

Thanks so much for facilitating the meeting today. It went very well due to your efforts.

Our Quickplace site contains a limited-access room dedicated to citizen complaints. (Limited access because it contains PII.). We can create a folder within that room to contain PDFs of all the material provided at today's listening session, and give access to all the EPA folks who attended in case they need any of the materials for reference or follow up work. Let me know if this would be helpful, ok?

Thanks,

Angela

Hi Dave, Angela, Vicky, Karen, Drew, Lora, Bob and Jerry,

I think this is our EPA team for Tuesday's in-house listening session for Dimock residents.
I'd like to have a pre-meeting on Monday to discuss our agenda, strat., etc.....
I'll arrange for a room. Please let me know your availability.
Thanks

p.s. if you know of someone else planning to participate, that I have not included, please let me know and fwd.
Thx.
